

The greatest threat to our planet is the belief that someone else will save it.

~ Robert Swan ~

We do not inherit the Earth from our ancestors;  
We borrow it from our children.

***A Club for the prodigies in the CDM Family...***

***A Place to Hone our Eco Warriors...***

***An outlet for the spirit of Preservation & Conservation***

**Ecology, Green Initiatives & Conservation of Nature (EGC) Club**

***"For the Eco Warriors of tomorrow"***

## Objectives...

- **To motivate members to keep their surroundings green and clean**
- **Usher in “Generation Restoration” by motivating members to plant trees and maintain trees**
- **To encourage members to adopt habits and lifestyles that minimize waste generation, promote waste separation, and ensure proper disposal**
- **To educate members about the hazards of indiscriminate waste burning and promote the mission of zero waste and zero landfill**
- **To organize educational and creative programs focused on environmental issues**
- **To celebrate environmental festivals and significant days to raise awareness**
- **To arrange educational visits to various environmental sites**
- **Conceive and steer green initiative projects in CDM**
