

The greatest threat to our planet is the belief that someone else will save it.

~ Robert Swan ~

We do not inherit the Earth from our ancestors;
We borrow it from our children.

Ecology, Green Initiatives & Conservation of Nature (EGC) Club

"For the Eco Warriors of tomorrow"

A Club for the prodigies in the CDM Family...

A Place to Hone our Eco Warriors...

An outlet for the spirit of Preservation & Conservation

Objectives...

- **To motivate members to keep their surroundings green and clean**
- **Usher in “Generation Restoration” by motivating members to plant trees and maintain trees**
- **To encourage members to adopt habits and lifestyles that minimize waste generation, promote waste separation, and ensure proper disposal**
- **To educate members about the hazards of indiscriminate waste burning and promote the mission of zero waste and zero landfill**
- **To organize educational and creative programs focused on environmental issues**
- **To celebrate environmental festivals and significant days to raise awareness**
- **To arrange educational visits to various environmental sites**
- **Conceive and steer green initiative projects in CDM**

*Let us celebrate nature.....
As we take a sojourn down idyllic trails and tell the
world our tales....*

*Showcase talent...make friends for life
and above all...*

Do our proud little bit for Mother Nature...

***“To forget how to dig the earth and
to tend the soil is to forget
ourselves”***
